Saved From Self Destruction by Capt. Hellwege of Salvation Army

BIGAMIST GIVES UP

After Turning Over Pistol Goes to Baltimore and Faces Charge—Married Second Wife Last Week.

An ex-soldier haunted by the disgrace of facing a charge of bigamy in Baltimore yesterday morning met Captain J. D. Hellwege, of the Salvation Army here, and unburdened his troubles to Capt. Hellwege. He told the captain that he contemplated going to the corner of King and Pitt streets and blowing out his brains. The stranger produced a pistol fully loaded and twelve cartridges, explaining that he could not afford to disgrace his mother by facing such a charge.

Capt. Hellwege reasoned with the man, a native of Michigan, twenty-two years old, and before long had him in the hall of the Salvation Army where he professed conversion and left the hall apparently happy saying that he intended to go at once to Baltimore and face the charge and pay the penalty and henceforth lead a new life.

Capt. and Mrs. Hellwege kept the pistol as a reminder of the remarkable conversation of the man who was on the brink of self destruction and who turned over a new leaf at the psychological moment.

The following dispatch received today from Baltimore tells the story of Moerdyk giving himself up.

Baltimore, Oct. 6.—Having been dissuaded by a Salvation Army captain in Alexandria, Va., from ending his life because he is alleged to have committed bigamy, Cornelius Moerdyk, twenty-two years old, walked up to the desk at the central police station yesterday afternoon and asked if a warrant had been issued for him. A few minutes later Moerdyk was formally accused of bigamy.

An hour later Mrs. Hazel L. Paul-Moerdyk almost collapsed when she heard the prisoner, whom she married less than a week ago, declare that his legitimate wife, whom he married less than a year ago, is now living in Grand Rapids, Mich.

The alleged bigamous marriage took place on September 30 and was witnessed by members of Miss Paul's family. Moerdyk came here several months ago and was employed at Camp Holabird. His foreman was an uncle of Miss Paul. Several weeks ago Moerdyk, according to his confession, became engaged to Miss Paul. A week ago yesterday he received a telegram from his wife, Mrs. Anie Moerdyk, telling him that she was ill and asking him to return home immediately.

On the day he received the message from his western wife his fiancee here informed him that her wedding trousseau was complete. So the marriage ceremony was performed two days later.

"I was unable to bear the torture any longer," Moerdyk told the police "Every hour after my marriage to Miss Paul I thought of the telegram sent me by my wife in the West, and on Saturday, after realizing what wrong I had done, I decided to end my life. Both of the women I married are good women and I have wronged both. I bought a pistol Saturday and went away from the city, intending to kill myself.

'I got as far as Alexandria, Va., where I stopped a few minutes to listen to a service conducted by the Salvation Army. After the meeting was over I went to the Salvation Army captain and told him that I had intended to kill myself. He asked me my trouble and I told him. He asked me for the pistol and I gave it to him He told me to come back to Baltimore and surrender, so here I am."

THREE FIREMEN BADLY BURNED

Fire Destroys Bungalow at Braddock Heights Last Night

LOSS ABOUT $3000

House Occupied by Robert L. Lee and Owned by M. L. Horner—Mice Cause Blaze.

Three firemen were painfully burned while fighting a fire at Braddock after 9 o'clock last night which destroyed the residence occupied by Robert L. Lee.

The firemen burned were Millard Padgett, burned about face; Thomas Cockrell, burned about face, and George Simpson, burned about arm.

The fire originated in the kitchen of the house, a bungalow known as "Glencoe," owned by Morris L. Horner, of this city. The occupants were in bed at the time. They hastily dressed and escaped and neighbors came to their assistance and saved most of the furniture.

The Alexandria fire department responded to the alarm and many volunteer firemen went to the fire and also rendered what assistance they could.

It is belived that mice playing with matches caused the blaze.

The fire made a big blaze and could be seen for many miles.

The loss will amount to about $3,000 and is partially covered by insurance.

Mr. Horner desires to thank the firemen and citizens generally for the aid given as does also Mr. Lee.

Police Surprise Violators of Law Saturday Night and Yesterday

DEPOSITS FORFEITED

Two Hundred and Fourteen Dollar and Fifty Cents Gathered in at the Police Court This Morning.

Saturday and yesterday were red letter days in police circles. Gamblers, speeders and others were brought to the station house, nearly all of whom left collateral for their appearance before the Police Court this morning. When the cases were called most of the accused were not to be found, they having preferred to forfeit their deposits than appear before the tribunal. Two hundred and fourteen dollars and fifty cents was collected and deposited to the credit of the city. Several cases, some against gamblers and others charged with violating the speed law while operating automobiles have been set for seven o'clock tonight.

The police did not confine their work to old Alexandria, but threw their net as far west as the site of old Fort Ellsworth, now a part of the city, where crap players were surprised and captured.

One raid Saturday night resulted in the arrest of nine crap shooters, both white and colored, and a second raid yielded eleven. The raid yesterday at Fort Ellsworth, added nine more whites to the crowd.

The last raid last night resulted in the capture of ten poker players in a house on North Lee street, all colored.

The raids were conducted by Chief Goods, Sergeant Wilkenson, and Officers Durrer, Campbell, and Reid.

Nine persons were arrested for exceeding the speed limit.

Two of the men were shot by police policeman who fired into a crowd that had taken his riot club away from him and had threatened to trample him to death.

The company, which had not run cars since Wednesday because of the strike of the men for higher wages, started an armored car out of the barns late in the day. It was reported the car had been filled with armed men. Strike sympathizers placed automobiles and drays in front of the car and missiles were thrown at it.

BOSTON COLD TO ALBERT

Reception for Belgian Royalty is Not Cordial Due Largely To Rain

Boston, Oct. 6.—The people of Boston did not show much interest in the arrival of the King and Queen of the Belgians and the royal staff yesterday. It may have been due to the cold drizzling rain, or the fact that it was the Sabbath when Boston always is solemnly decorous.

Whatever the cause, there were no cheers and very little waving of flags by the thin line of spectators that viewed the royal procession as the automobiles whirled up from the South Station to Tremont street past the Common and through the Back Bay section to Holy Cross Cathedral where Cardinal Mercier celebrated a solemn high mass, assisted by Cardinal O'Connell and Monsignor Splaine. During the mass, the King and Queen were incensed, in accordance with European custom. It was the first time this ceremony had been performed in America.

After the mass the King and Queen were guests of honor at a luncheon in the Copley Plaza Hotel. Then came a visit to Harvard where the royal party was received by President Lowell. The party left at 7:30 p. m., for Niagara Falls It is understood that a stop may be made at Chicago Tuesday evening. From Chicago the party will go to the Pacific Coast.

WILSON'S CONDITION IS STILL FAVORABLE

Spends Comfortable Night, According to Bulletin

SLIGHT IMPROVEMENT

Dr. Grayson, However, is Not Yet Ready to Say Turn For The Better Has Taken Place.

President Wilson had a very good night Saturday "and if there is any change in his condition," it is favorable, said a bulletin issued by Rear-Admiral Grayson, his physician at 11 o'clock yesterday. The bulletin said.

"The President had a good night, and if there is any change in his condition it is favorable. His appetite is improving and he is sleeping better."

President Wilson last night spent the most comfortable night since he was taken ill, according to information obtained at the White House this morning.

There were no indications that the slight improvement previously recorded hal not been maintained, but the extreme conservatism in the tone of statements of Dr. Cary T. Grayson, the President's physician, led to the belief that the improvement was not great.

Grayson repeated informally that he was not yet ready to pronounce the President's turn for the better as decisive, although his condition was considered better than at any time since his illness became acute.

VIRGINIA CO. BUYS U. S. SHIPS IT BUILT

The Virginia Shipbuilding Corporation, at Alexandria, has just purchased from the United States shipping board al lthe vessels which it has built for the government. The sale agreement also provides that the Virginia company will take over the unfinished ships for which it now holds government contracts. All of the vessels are being purchased from the shipping board at the original cost to the government.

As a result of the negotiations, the government is released from contracts for ships approximating $25,000,000. The contracts called for twelve vessels of 9,400 dead weight tons each. Three of these have been delivered and are now in operation The fourth is now ready for delivery and the fifth is to be launched the 25th of this month. Others are under construction.

The Virginia Shipbuilding Corporation is a subsidiary of the United States Steamship Company.

MORE MILLS RESUME

Pittsburgh, Pa., Oct. 6.—Steel plants in the Pittsburgh district that have been closed since the beginning of the nation-wide strike two weeks ago, threw open their gates today and attempted to resume operations.

Early reports from different sections say that workmen returned in large numbers. One of the three great blast furnaces of the United States Steel Corporation at Clairton, which have been "down," was blown in today. Four large mills in Donora and Monessen, which had been closed tight by the strike, started this morning. Officials expected that at least 60 per cent of their employes would return.

The Carnegie Steel Company reported that the largest force since begining the strike reported for duty on the night shift at its different plants in the district last night.

Everything was quiet this morning with steady streams of workers going to the plants.

MAILS INFERNAL MACHINE

Bomb is Discovered in Atlanta Post Office and Arrest Immediately Follows

Atlanta, Ga., Oct. 6.—Following the discovery in the post office here Saturday afternoon of an infernal machine, addressed to Captain John H. Kneubel, an army officer stationd in Buffalo, Paul B. Carter, a mechanic, was placed under arrest.

The man is accused of mailing the bomb because he was jealous of the attention paid his divorced wife by Captain Kneubel.

The captain was recently stationed in Atlanta before he was ordered to Buffalo, and during that time, it is alleged, the sender of the deadly explosive was infuriated with the officer's conduct with his wife.

On one occasion, it is said, the husband sent his wife a poisoned needle, the discovery of which led the woman to obtain a divorce.

The bomb contained sufficient high explosives to destroy an entire building, it was declared. The reason for its nonexplosion was that in cancelling the postage stamps on the package, a clerk in the Atlanta postoffice, quite without his knowledge, disrupted the firing apparatus.

Had the bomb exploded while being handled in the postofice here, the inspectors said, the building would undoubtedly have been wrecked.

Hitchcock Believes Republican Plans Will be Beaten

Washington, Oct. 6.—Senator Hitchcock and Administration forces yesterday were preparing to fight the President's political battles this week in the Senate as the President fights to regain his health in his sick room at the White House.

Hitchcock is drawing plans and marshaling his forces to meet the onslaught of the Republicans against the Peace Treaty in the form of amendments designed to smash the Shantung award and to change the relative voting strength of the United States and the British Empire in the League of Nations.

Amendments dealing with both questions may be called up this week. One, the Shantung problem, already is scheduled for this week as a result of the request of Senator Kenyon.

Both amendments have been condemned by President Wilson.

Hitchcock today expressed confidence the League proponents will be able to win the battle this week for the President and defeat the amendments.

By the time the question of reservations come up Hitchcock is hopeful the President will have resume personal direction of the fight.

IN MEMORIAM

In loving remembrance of my dear son, Eugene Wilburn, Co. A., 59th Infantry, killed in battle in the Argonne, France, October 6th, 1918, one year ago today.

How sleep the brave, who sink to rest
By all their country's wishes blessed!
When spring, with dewy fingers cold
Returns to deck their hallowed mould,
She there shall dress a sweeter sod
Than Fancy's feet have ever trod.
By fairy hands their knell is rung;
By forms unseen their dirge is sung;
There Honor comes, a pilgrim gray,
To bless the turf that wraps their clay;
And Freedom shall awhile repair,
To dwell a weeping hermit there.

By his mother,

TROTSKY'S AIM

The night before he started for Russia, Trotsky, speaking to several hundred of his East Side New York followers, said:

"I want you to remain here and organize, and keep an organizing, until you destroy this dirty and rotten Government of the United States—while I return to Russia, bring on a revolution there, and stop Russia's war against Germany."

The Manufacturers' Record in commenting on the above says, "Some months ago the American Defense Society, keeping close track of the movement which was then under way for the purpose of carrying out Trotsky's command to his followers, warned the officials of every leading city that efforts would be made by the Socialists and Anarchists and Bolshevists to bring about a revolution for the purpose of destroying the American Government. They were advised that the plan involved starting a strike first at one point and then at another, testing out at each place the ability of the strikers to completely capture that city, and the first city which came completely under the domination of these revolutionists was to be the signal for similar revolutionary activities in every city in America.

"Seattle was the first place at which the effort was tried, but the backbone of the Mayor of that city broke the strike and saved the country from a general camaign of destruction and chaos.

"Boston was another point at which the effort was made, and now the steel strike and many other strikes are merely the fulfillment of the statements made months ago by the American Defense Society in warning the officials of every city to be ready.

"These strikes are simply an effort to definitely carry out Trotsky's command to his followers to be prepared at the proper time to overturn the "dirty, rotten Government of the United States." Trotsky's speech was made in a German hall. He went from America through the co-operation of Germany, and possibly some Americans, for it is claimed that somebody in this country had sufficient influence to have this country ignore a reported request from the British not to permit his leaving America. He was landed in Russia through the co-operation of Germany, and what he did in Russia he and his followers and Germany unitedly are seeking to repeat in America.

"There are many innocent men who are out on strikes, but every man in this country who today is on a strike is co-operating with Trotsky, with the Bolshevists and with Germany in their efort to overturn what Trotsky called "the dirty, rotten Government of the United States."

"He who does not understand this situation has little comprehension of the work that is under way. It is time for the American people to wake up."

OLD DOMINION PROSPERS

"Prosperity in Virginia was never more apparent than it is today," says the Richmond Virginian.

This is the message brought to Richmond by Capt. Martin Stringfellow who just returned from a two weeks' tour of road inspection with Governor Davis.. Traveling by automobile and train, principally by the former conveyance, the party completed a trip which carried them into practically every section of the state.

"It is my belief that taxable values in Virginia have doubled within the last ten years," Captain Stringfellow said. "I was almost amazed at the tangible evidences of prosperity which the state enjoys. Settlements which a few years ago were more straggling villages have now grown into towns, will be modern conveniences of city life.

"You would be surprised at the growth of Southside Virginia. It was a revelation to me. It is literally dotted with the most thriving communities. Everything points to a wealthy prosperity which is peculiarly gratifying to those who are interested in the welfare of the state."

Captain Stringfellow was particularly struck with road development in all parts of Virginia. State Highway Commissioner George P. Coleman he said, undoubtedly has made wonderful progress in his task of giving to the people roads over which they can travel expeditiously and some degree of comfort.

FINANCING STRIKES

At the end of a prolonged walkout of workmen in England recently it was announced that a strike fund of twenty-five million dollars had been expended.

In addition to this it must be remembered the strikers were not receiving from the unions but a comparatively small percentage of the sum obtained while they were at work. Many were doubtless forced to go in during the period of idleness, and owners of houses were compelled to wait for rents, as were storekepers and others for goods supplied.

Years ago a long-drawn-out strike was carried on in Washington. Members of one organization who received twenty-four dollars a week were each assessed four dollars weekly for the strike fund. The trouble finally burned itself out.

The raising of $2,000,000 a week with which to pay strike benefits to approximately 250,000 striking iron and steel workers, will be the task of the executive council of the American Federation of Labor and the National committee for organizing iron and steel workers when the two bodies meet today in Washington.

The latter organization is composed of the presidents of the twenty-four unions now involved in the strike.

John Fitzpatrick, chairman of the national strike committee, said that the benefits apportioned to strikers will be based on the system followed by the international unions.

Ruddy Cheeks—Sparkling Eyes —Most Women Can Have

Says Dr. Edwards, a Well-Known Ohio Physician

Dr. F. M. Edwards for 17 years treated scores of women for liver and bowel ailments. During these years he gave to his patients a prescription made of a few well-known vegetable ingredients mixed with olive oil, naming them Dr. Edwards' Olive Tablets. You will know them by their olive color.

These tablets are wonder-workers on the liver and bowels, which cause a normal action, carrying off the waste and poisonous matter in one's system.

If you have a pale face, sallow look, dull eyes, pimples, coated tongue, headaches, a listless, no-good feeling, all out of sorts, inactive bowels, you take one of Dr. Edwards' Olive Tablets nightly for a time and note the pleasing results.

Thousands of women and men take Dr. Edwards' Olive Tablets—the successful substitute for calomel—now and then just to keep them fit. 10c and 25c.

Smoke "Virginia-Carolina" Straight

Flavor, Zest, Relish, Virginia-Carolina tobacco has 'em all!

That's why a cigarette made *entirely* of Virginia-Carolina tobacco has a lively, appetizing taste that no cigarette of *mixed* tobaccos can equal.

And it's just this *taste* that makes Virginia-Carolina the world's favorite cigarette tobacco. *Five times* more of it is smoked in cigarettes than all the foreign-grown tobaccos combined.

No new-fangled mixture has anything "on" that good Virginia-Carolina taste—at its best in a Piedmont.

HARDING QUITS RACE

Pulls Out of the Big Stakes and Aspires Only to Senatorship.

Political circles in Ohio were greatly surprised last night, according to dispatches from Columbus, when it was made public through a letter written by Senator Warren G. Harding to a friend that the Senator will not seek the Republican nomination for the Presidency, but that he will ask renomination as Senator.

The withdrawal of Senator Harding opens wide the field in Ohio and marks incidentally, the first time since 1892 that Ohio has not had a Republican aspirant for the Presidency. Taft has said he is not a candidate.

Thousands of mothers say Foley's Honey and Tar Compound is the best remedy for croup they know. It cuts the thick choking mucus, clears away the phlegm, opens air passages and eases hoarseness. The gasping, strangling fight for breath gives way to quiet breathing and peaceful sleep. T. J. McCall, Athens, O., writes. "We have used Foley's Honey and Tar in our home for years and find it invaluable for coughs and colds especially for croup for our children. WHOLE FAMILY KILLED

Springfield, Ohio, Oct. 6.—A whole family was killed yesterday when an interurban car near Dolphinsville hit an automobile killing S. C. Croe, his wife and three children. All met death instantly. Carelessness on the part of the driver of the automobile was given by the coroner as the cause of the accident.

THEATRES

GRAND THEATRE

Dainty Marguerite Clark, whose "Bab" pictures are well remembered, has a new vehicle, "Rich Man, Poor Man," which will be shown at the Grand Theatre tonight. This is a splendid screen subject, filled with tense dramatic situations by the aid of which an absorbing dramatic story is developed. It is one of the best photoplays in which Miss Clark, the "sweetest girl in motion pictures," has been seen in this city, and it seems certain that her many admirers here will turn out in force at the opening display. Also 10th chapter "Perils of Thunder Mountain."

INGOMAR THEATRE

"Where Bonds are Loosed" at the Ingomar Theatre tonight, tells of a thrilling drama worked out by three people—a doctor, an uncouth overseer and a woman of high training but primitive nature on a lonely island of the coast of Australia.

"Where Bonds Are Loosed" is a thrilling story told with a wonderful touch of delicacy. It is a picture well worth seeing—a story well worth being told.

Chapter 8 of "The Great Gamble," will also be shown.

RICHMOND THEATRE

By cleverly adapting a brilliant French comedy drama into an entirely American atmosphere, Mr. Albert Capellani is able to offer to American audiences a delightful entertainment in which the talents of his two co-stars find ample scope for full display.

In "The Love Cheat" at the Richmond Theatre tonight, both dainty June Caprice and handsome young Creighton Hale have leading roles which are most admirably suited to them, while the supporting cast is in every way admirable.

Taken as a whole, "The Love Cheat," forms a delightful and wholesome entertainment for every class of motion picture patron, and will make a special appeal to the great mass of fiction readers by its romantic heart appeal. The millions who enjoy the perusal of entertaining novels with romantic love interests will witness "The Love Cheat," with enthusiasm and avidity.

Great Excitement in Alexandria

A large animal ran amuck through the streets last week and locked in his great antlers at least 30 men. He is about the city today. Have you seen him? He is not dangerous, he is a friendly animal and offers to you sir; protection for your self and family. From this great and majestic animal the Loyal Order of Moose takes its name. It is the progressive order of the century.

There follows in its wake 650,000 men, men who follow the great principal of the Moose "One for all, All for one" and who hold Mooseheart in the hollow of their hand. The wonderful Mooseheart, the school that trains for life."

Following is an extract from the speech of Brother Thomas R. Marshall, Vice President of the United States, on Aug. 6th, 1918.

I dedicated Mooseheart, as I remember on a very hot July day under the folds of a Circus Tent and not another building in sight. I felt that like many of the good ideas and good devices of human kind it was only a Circus performance and when the Tent went down, the show would be over. Thank God for miracles, Thank God today, that I can stand before you and say that notwithstanding all that the higher critics may say on the subject, the age of miracles has not passed. All that I hoped for, longed for, and prayed for has come to pass at Mooseheart.

In addition to Mooseheart where 750 children are being trained, the Moose pay $9 per week sick and accident benefits and $100 funeral. Initiation fee $6, dues $11 per year. Virginia Lodge No. 1076 invites you to membership. The charter is open, after charter closes the initiation fee will be $20.00. Don't forget the lodge meet over Alexandria National Bank tonight at 7.30.

To Our Patrons

Alexandria, Va., June 2, 1919.

In line with our progressive banking methods, and to meet the demands of our patrons, we are installing on July 1st, an up-to-date Safe Deposit Department, under the personal supervision of one of our officers.

This has been made necessary from the fact that a large number of our depositors owning Liberty Bonds and other securities desire a safe place for their keeping.

It is our plan to enlarge the number of Safe Deposit Boxes, and make a rental charge to meet the operating expenses of this Department. This charge will become effective July 1st, 1919, and a bill will be sent out at that time to the holders of boxes, and if any desire to make any change we will be glad to have them call before the bills are rendered for the ensuing year.
